833-672-1943

Use for severe accidents when:

- Injured party transported by life flight from the scene
- Injury claims involving:
 - Pedestrian
 - Motorcyclist
 - Bicyclist
 - Fatality

How it works:

- Access to a team of professionals to answer questions and provide direction
- Ensure evidence is properly evaluated and preserved
- Attorney led investigative strategy based on circumstances of the loss
- Protect evidence from discovery as work product of counsel
